

Parce qu'il est difficile de se projeter dans l'espace et d'assembler différentes dimensions de voiles et optimisant le nombre d'accroche, nous avons créé "PACK Multivoile". Des ensembles de 2 ou 3 voiles d'ombrage parfaitement dimensionnées pour couvrir de 15 à 26m<sup>2</sup> avec 1 ou 2 mâts en aluminium anodisé (Ø83mm). À vous d'associer différentes couleurs pour créer une ambiance unique et résolument design.
